

Job's Nursery Perennial Common Name Detailed List

Ajuga (Bugleweed), Chocolate Chip

Ajuga x tenorii 'Valfredda'

Type Evergreen **Height** 4 inches **Spread** 2 to 3 feet

Foliage Small, narrow oval leaves

Summer Color Chocolate and Green **Autumn Color** Chocolate and Green

USDA Zones 3 to 10 **Exposure** Afternoon Shade

Plant Attributes Great ground cover for those hard to cover shady areas. In Late Spring bloom 4 inch light blue spikes over foliage. Once established will spread rapidly.

Aster, Wood's Pink

Aster dumosus 'Wood's Pink'

Type Deciduous **Height** 12 to 16 inches **Spread** 2 to 3 feet

Foliage Pointed narrow

Summer Color Dark Green **Autumn Color** Rust to Brown

USDA Zones 3 to 8 **Exposure** Full Sun

Plant Attributes Great for a low border to provide a variation of foliage texture as well as late season blooming. Single pink daisy like flowers bloom in Late Summer to Mid Fall. This selection is both mildew and rust resistant.

Aster, Wood's Purple

Aster dumosus 'Wood's Purple'

Type Deciduous **Height** 12 to 16 inches **Spread** 2 to 3 feet

Foliage Pointed narrow

Summer Color Dark Green **Autumn Color** Rust to Brown

USDA Zones 3 to 8 **Exposure** Full Sun

Plant Attributes Great for a low border to provide a variation of foliage texture as well as late season blooming. Semi-Double purple daisy like flowers bloom in Late Summer to Mid Fall. This selection is both mildew and rust resistant.

Astilbe (False Spiraea), August Lights

Astilbe x arendsii 'August Leuchten'

Type Deciduous **Height** 28 inches **Spread** 2 to 3 feet

Foliage Lacy toothed leaflets 3 to 5 inches long

Summer Color Green **Autumn Color** Bronze to Brown

USDA Zones 4 to 9 **Exposure** Afternoon Shade

Plant Attributes Good Summer Bloomer for shade garden. Fern like foliage is attractive all growing season long, with spire like clusters of lavender-purple that rise above the foliage in Mid to Late Summer.

Astilbe (False Spiraea), Elisabeth van Veen*Astilbe x arendsii 'Elisabeth van Veen'*

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet**Foliage** Deeply cut, delicate and fern like, airy**Summer Color** Medium to Dark Green **Autumn Color** Dark Green to Bronze**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Good Summer Bloomer for shade garden. Fern like foliage is attractive all growing season long, with spire like clusters of deep red that rise above the foliage in Early Summer.

Astilbe (False Spiraea), Key Largo*Astilbe simplicifolia 'Key Largo'*

Type Deciduous **Height** 16 to 18 inches **Spread** 2 to 3 feet**Foliage** Lacy toothed leaflets 3 to 5 inches long**Summer Color** Dark Green with Red stems **Autumn Color** Bronze to Brown**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Good Summer Bloomer for shade garden. Fern like foliage is attractive all growing season long, with spire like clusters of Raspberry Pink that rise above the foliage in Mid to Late Summer.

Astilbe (False Spiraea), Key West*Astilbe simplicifolia 'Key West'*

Type Deciduous **Height** 12 to 14 inches **Spread** 2 to 3 feet**Foliage** Lacy toothed leaflets 3 to 5 inches long**Summer Color** Green with a narrow Red edge **Autumn Color** Bronze to Brown**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Good Summer Bloomer for shade garden. Fern like foliage is attractive all growing season long, with spire like clusters of red buds opening to pink that rise above the foliage in Mid Summer.

Astilbe (False Spiraea), Maggie Daley*Astilbe chinensis 'Maggie Daley'*

Type Deciduous **Height** 28 inches **Spread** 2 to 3 feet**Foliage** Deeply cut, delicate and fern like, airy**Summer Color** Glossy Dark Green **Autumn Color** Bronze to Brown**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Good Summer Bloomer for shade garden. Fern like foliage is attractive all growing season long, with spire like clusters of lavender-purple that rise above the foliage in Mid to Late Summer.

Baby's Breath, Compacta Plena*Gypsophila x 'Compacta Plena'*

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** 2 to 4 inches long, smaller on flowering branches**Summer Color** Green **Autumn Color** Brown**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** An airy border plant that throughout the summer flowers tiny clusters of double white flowers.

Bellflower (Carpathian), Pearl Deep Blue*Campanula carpatica 'Pearl Deep Blue'*

Type Deciduous **Height** 8 inches **Spread** 3 to 4 feet**Foliage** Upright habit with oblong pointed leaves.**Summer Color** Dark green **Autumn Color** Bronze to Brown**USDA Zones** 3 to 8 **Exposure** Full Sun**Plant Attributes** Good Groundcover to keep weeds out. From early to late summer 2 inch wide, cup shaped, Blue-Violet flowers dress up the garden.

Bigleaf Goldenray, Britt-Marie Crawford*Ligularia dentata 'Britt-Marie Crawford'*

Type Deciduous **Height** 3 - 4 feet **Spread** 2 to 3 feet**Foliage** Big leaf Broad**Summer Color** Chocolate purple **Autumn Color** Bronze**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Large Chocolate leaves that in Late Summer contrast with golden orange, daisy like flowers. Great near Hydrangeas.

Black Eyed Susan, City Gold*Rudbeckia fulgida 'City Gold'*

Type Deciduous **Height** 12 inches **Spread** 2 to 3 feet**Foliage** Ovate shaped, deeply toothed, hairy leaves**Summer Color** Medium Green **Autumn Color** Green to Brown**USDA Zones** 4 to 9 **Exposure** Full Sun**Plant Attributes** Half the Height of Rudbeckia. Dark green foliage that from Mid Summer to Early Fall produces Golden Yellow daisy like flowers with a black coned center.

Black Eyed Susan, Early Bird Gold*Rudbeckia fulgida 'Early Bird Gold'*

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet**Foliage** Ovate shaped, deeply toothed, hairy leaves**Summer Color** Medium Green **Autumn Color** Green to Brown**USDA Zones** 4 to 10 **Exposure** Full Sun**Plant Attributes** Dark green foliage that from Early Summer to Mid Fall produces Golden Yellow daisy like flowers with a black coned center.

Black Eyed Susan, Goldstrum*Rudbeckia fulgida 'Goldstrum'*

Type Deciduous **Height** 4 feet **Spread** 2 to 3 feet**Foliage** Ovate shaped, deeply toothed, hairy leaves**Summer Color** Medium Green **Autumn Color** Green to Brown**USDA Zones** 3 to 8 **Exposure** Full Sun**Plant Attributes** Dark green foliage that from Mid Summer to Early Fall produces Golden Yellow daisy like flowers with a black coned center.

Black Snakeroot, Hillside Black Beauty

Cimicifuga ramosa 'Hillside Black Beauty'

Type Deciduous **Height** 4 to 7 feet **Spread** 3 to 5 feet wide

Foliage Deeply toothed, 1 1/2 to 3 inch long leaflets

Summer Color Purplish-Black **Autumn Color** Purple

USDA Zones 4 to 8 **Exposure** Afternoon Shade

Plant Attributes Black or Chocolate Foliage is accented in Late Summer into Mid Fall with fragrant, 1 foot long bottle brush shaped flower spikes.

Blanket Flower, Burgundy

Gaillardia x grandiflora 'Burgundy'

Type Deciduous **Height** 24 inches **Spread** 1 to 2 feet

Foliage Leafy, erect, branching, with alternative leaves

Summer Color Medium Green **Autumn Color** Bronze to Brown

USDA Zones 3 to 9 **Exposure** Full Sun

Plant Attributes A plant for hot dry areas that throws color all summer long with 3 inch wide, daisy like, Deep Burgundy flowers.

Blanket Flower, Dazzler

Gaillardia x 'Dazzler'

Type Deciduous **Height** 30 inches **Spread** 18 to 30 inches

Foliage Leafy, erect, branching, with alternative leaves

Summer Color Medium Green **Autumn Color** Bronze to Brown

USDA Zones 2 to 10 **Exposure** Full Sun

Plant Attributes A plant for hot dry areas that throws color all summer long with 3 inch wide, daisy like, Yellow with Maroon centered flowers.

Bleeding Heart, Old Fashioned

Dicentra spectabilis

Type Deciduous **Height** 24 to 30 inches tall **Spread** 3 to 4 feet

Foliage Feathery, much dissected leaves

Summer Color Medium Green **Autumn Color** Yellow to Brown, dies off by the end of the

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes A feathery mound of delicate foliage that in Late Spring has pendulous, heart shaped, pink with white pointed flowers that rise above the foliage.

Brunnera, Jack Frost

Brunnera macrophylla 'Jack Frost'

Type Deciduous **Height** 12-15 inches **Spread** 2 to 3 feet

Foliage Heart shaped leaves

Summer Color Silver with Green veins **Autumn Color** Brown

USDA Zones 3 to 8 **Exposure** Afternoon Shade

Plant Attributes Frosty Variegated foliage brightens any shade garden all growing season long. In Mid to Late Spring tiny bright blue flowers rise above foliage.

Brunnera, King's Ransom

Brunnera macrophylla 'King's Ransom'

Type Deciduous **Height** 10 to 12 inches **Spread** 2 to 3 feet

Foliage Heart shaped leaves

Summer Color Silver with Green veins and gold margins **Autumn Color** Brown

USDA Zones 3 to 8 **Exposure** Afternoon Shade

Plant Attributes Frosty Variegated foliage brightens any shade garden all growing season long. In Mid to Late Spring tiny bright blue flowers rise above foliage.

Candy Lily, Norrisii

Pardancanda norrisii

Type Deciduous **Height** 24 to 36 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Green **Autumn Color** Yellow Brown

USDA Zones 5 to 10 **Exposure** Full Sun

Plant Attributes Looking for something different, try this heavy blooming unique purple with yellow speckled flower. Blooms Mid to Late Summer. Allow it to go to seed to the shiny black seedpods.

Candy Lily, Sangria

Pardancanda norrisii 'Sangria'

Type Deciduous **Height** 15 to 18 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Green **Autumn Color** Yellow Brown

USDA Zones 5 to 10 **Exposure** Full Sun

Plant Attributes Looking for something different, try this heavy blooming unique colored flower. Blooms Mid to Late Summer. Allow it to go to seed to the shiny black seedpods.

Candytuft, Snowflake

Iberis sempervirens 'Snowflake'

Type Evergreen **Height** 8 to 10 inches **Spread** 2 to 3 feet

Foliage Small almost needle like

Summer Color Dark Green **Autumn Color** Dark Green

USDA Zones 3 to 9 **Exposure** Full Sun

Plant Attributes Evergreen groundcover that can handle abuse. From Early to Mid Spring flat clusters of white flower appear above foliage.

Chinese Lantern

Physalis alkekengi

Type Deciduous **Height** 32 inches **Spread** 3 to 5 feet

Foliage Pointed oval

Summer Color Bright Green **Autumn Color** Bronze to Brown

USDA Zones 2 to 9 **Exposure** Full Sun to Partial Shade

Plant Attributes In Late summer the paper husks turn orange to give a great fall presence.

Coneflower, Harvest Moon

Echinacea x 'Matthew Saul'

Type	Deciduous	Height	24 to 30 inches	Spread	36 inches
Foliage	Rough, Ovate shaped leaves				
Summer Color	Green	Autumn Color	Bronze to Brown		
USDA Zones	4 to 8	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; daisy-like, Golden Orange petals and a dark centered coned flowers that rise above foliage.				

Coneflower, Magnus Purple

Echinacea purpurea 'Magnus'

Type	Deciduous	Height	36 inches	Spread	36 inches
Foliage	Rough, Ovate shaped leaves				
Summer Color	Medium Green	Autumn Color	Green to Brown		
USDA Zones	3 to 9	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; daisy-like, purple-red petals and a dark centered coned flowers that rise above foliage.				

Coneflower, Merlot

Echinacea purpurea 'Merlot'

Type	Deciduous	Height	30 to 36 inches	Spread	36 inches
Foliage	Rough, Ovate shaped leaves				
Summer Color	Medium Green	Autumn Color	Green to Brown		
USDA Zones	4 to 8	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; daisy-like, magenta pink petals and a dark centered coned flowers that rise above foliage.				

Coneflower, Purity

Echinacea purpurea 'Purity'

Type	Deciduous	Height	32 inches	Spread	18 inches
Foliage	Long, narrow				
Summer Color	Green	Autumn Color	Yellow to Brown		
USDA Zones	4	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; fragrant, daisy-like, white petals and a dark centered coned flowers that rise above foliage.				

Coneflower, Razzmatazz

Echinacea purpurea 'Razzmatazz'

Type	Deciduous	Height	25 to 30 inches	Spread	36 inches
Foliage	Broad Oval				
Summer Color	Green	Autumn Color	Bronze		
USDA Zones	3	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; Bright Pink pompom and a orange centered coned flowers that rise above foliage.				

Coneflower, Ruby Star

Echinacea purpurea 'Rubinstern'

Type	Deciduous	Height	36 inches	Spread	36 inches
Foliage	Rough, Ovate shaped leaves				
Summer Color	Green	Autumn Color	Bronze to Brown		
USDA Zones	3 to 8	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; daisy-like, lavender pink petals and a dark centered coned flowers that rise above foliage.				

Coneflower, White Swan

Echinacea purpurea 'White Swan'

Type	Deciduous	Height	2 feet	Spread	36 inches
Foliage	Rough, Ovate shaped leaves				
Summer Color	Green	Autumn Color	Bronze to Brown		
USDA Zones	4 to 9	Exposure	Full Sun to Partial Shade		
Plant Attributes	Attracts Butterflies. From Mid to Late Summer; daisy-like, white petals and a dark centered coned flowers that rise above foliage.				

Coral Bells, Christa

Heuchera x 'Christa'

Type	Semi-Evergreen	Height	8 to 10 inches	Spread	2 feet
Foliage	Rounded, lobed leaves				
Summer Color	Peachy Orange	Autumn Color	Peachy Orange		
USDA Zones	4 to 9	Exposure	Afternoon Shade		
Plant Attributes	Great Foliage interest with rose purple leaves maturing to a peachy orange. In Mid summer clusters of airy pink sprays rise above foliage.				

Coral Bells, Miracle

Heuchera x 'Miracle'

Type	Semi-Evergreen	Height	8-10 inches	Spread	2 feet
Foliage	Rounded, lobed leaves				
Summer Color	Reddish Purple with gold edges silver underside	Autumn Color	Reddish Purple with gold edges silver under		
USDA Zones	4 to 9	Exposure	Afternoon Shade		
Plant Attributes	Great Foliage interest with Reddish Purple foliage and gold edges. In late spring to early summer clusters of airy white sprays rise above foliage.				

Coral Bells, Mocha

Heuchera x 'Mocha'

Type	Semi-Evergreen	Height	16 inches	Spread	2 to 3 feet
Foliage	Rounded, lobed leaves				
Summer Color	Bronze Purple	Autumn Color	Bronze Purple		
USDA Zones	4 to 9	Exposure	Afternoon Shade		
Plant Attributes	Great Foliage interest with Bronze Purple. In mid summer clusters of airy white sprays rise above foliage.				

Coral Bells, Purple Petticoats*Heuchera x 'Purple Petticoats'*

Type Semi-Evergreen **Height** 12 inches **Spread** 2 feet**Foliage** Rounded, lobed leaves**Summer Color** Dark Purple **Autumn Color****USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great Foliage interest with Purple ruffled foliage. In late spring to early summer clusters of airy white sprays rise above foliage.

Coral Bells, Silver Scrolls*Heuchera x 'Silver Scrolls'*

Type Semi-Evergreen **Height** 24 inches **Spread** 2 feet**Foliage** Rounded, lobed leaves**Summer Color** Purple leaves with a silver overlay, undersides are rosy **Autumn Color** Violet Purple**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great Foliage interest with Purple foliage and silver overlay. In late spring to early summer clusters of airy white sprays rise above foliage.

Coral Bells, Tiramisu*Heuchera x 'Tiramisu'*

Type Semi-Evergreen **Height** 8-10 inches **Spread** 2 feet**Foliage** Rounded, lobed leaves**Summer Color** Young foliage Yellow with red veins fades to Green w **Autumn Color** Green with silver overlay**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great Foliage interest with yellow with red veins that matures to Green with silver overlay. In late spring to early summer clusters of airy white sprays rise above foliage.

Coral Bells, Vivid*Heuchera sanguinea 'Vivid'*

Type Semi-Evergreen **Height** 6 to 9 inches **Spread** 2 feet**Foliage** Heart shaped, scalloped foliage**Summer Color** Green **Autumn Color** Green**USDA Zones** 4 **Exposure** Full Sun to Partial Shade**Plant Attributes** Tufts of green foliage that in Early Summer have clusters of tiny, Crimson Red flowers that rise above foliage.

Coreopsis (Tickseed), Moonbeam*Coreopsis verticillata 'Moonbeam'*

Type Deciduous **Height** 15 to 20 inches **Spread** 2 to 3 feet**Foliage** Very fine thread leaf foliage 1 to 2 inches**Summer Color** Medium to Light Green **Autumn Color** Yellow**USDA Zones** 4 to 8 **Exposure** Full Sun**Plant Attributes** A low perennial for sunny, hot areas that easily handles neglect. From Early to Late Summer daisy like, Lemon Yellow flowers rise above the foliage.

Corydalis, Yellow

Corydalis lutea

Type Deciduous **Height** 12 to 15 inches **Spread** 3 to 4 feet

Foliage Delicate fern like foliage

Summer Color Green with Pinkish Purple tinted edges **Autumn Color** Brown

USDA Zones 5 **Exposure** Full Sun to Partial Shade

Plant Attributes A great groundcover with a delicate foliage texture and color. In late spring, yellow short spurred flowers appear above foliage with sporadic bloom set throughout summer.

Cranesbill, Hocus Pocus

Geranium pratense 'Hocus Pocus'

Type Deciduous **Height** 16 inches **Spread** 2 to 3 feet

Foliage Leaves 5 parted or lobed nearly to middle

Summer Color Green with a Purple Cast **Autumn Color** Red-Orange to Bronze

USDA Zones 3 to 8 **Exposure** Full Sun to Partial Shade

Plant Attributes Prolific groundcover that in Summer has single, 1 inch wide, Blue Purple flowers that appear among the foliage. In fall turns a brilliant Red Orange.

Cranesbill, Johnson's Blue

Geranium x 'Johnson's Blue'

Type Deciduous **Height** 1 to 2 feet **Spread** 2 to 3 feet

Foliage Leave 5 parted or lobed nearly to the middle

Summer Color Medium Green **Autumn Color** Red-Orange to Bronze

USDA Zones 4 to 9 **Exposure** Full Sun to Partial Shade

Plant Attributes Prolific groundcover that in Late Spring to Mid Summer has single, 1 inch wide, Pure Violet-Blue flowers that appear among the foliage. In fall turns a brilliant Red Orange.

Cranesbill, Max Frei

Geranium sanguineum 'Max Frei'

Type Deciduous **Height** 10 inches **Spread** 2 to 3 feet

Foliage Rounded lobed foliage, compact

Summer Color Medium Green **Autumn Color** Red-Orange Fall Colors

USDA Zones 4 to 9 **Exposure** Full Sun to Partial Shade

Plant Attributes Prolific groundcover that in Early to Late Summer has single, 1 inch wide, Deep Magenta Purple flowers that appear among the foliage. In fall turns a brilliant Red Orange.

Cranesbill, Splish Splash

Geranium pratense 'Splish Splash'

Type Deciduous **Height** 30 inches **Spread** 2 to 3 feet

Foliage

Summer Color Green **Autumn Color** Red-Orange Fall Colors

USDA Zones 4 **Exposure** Full Sun to Partial Shade

Plant Attributes Prolific groundcover that in Summer has single, 1 inch wide, White/Blue Striped flowers that appear among the foliage. In fall turns a brilliant Red Orange.

Cranesbill, Sweet Heidi

Type _____ **Height** _____ **Spread** _____
Foliage _____
Summer Color _____ **Autumn Color** _____
USDA Zones _____ **Exposure** _____
Plant Attributes _____

Cranesbill, Tiny Monster

Geranium x 'Tiny Monster'

Type Deciduous **Height** 16 to 18 inches **Spread** 2 to 3 feet
Foliage Small attractively lobed leaves
Summer Color Green **Autumn Color** Yellow
USDA Zones 4 to 8 **Exposure** Full Sun to Partial Shade
Plant Attributes Prolific groundcover that in Summer has single, 1 inch wide, Purple Red flowers that appear among the foliage. In fall turns a brilliant Red Orange.

Daylily, Always Afternoon

Hemerocallis x 'Always Afternoon'

Type Deciduous **Height** 22 inches **Spread** 2 to 3 feet
Foliage Grass or sword shaped foliage
Summer Color Green **Autumn Color** Yellow Tones
USDA Zones 3 to 9 **Exposure** Full Sun to Partial Shade
Plant Attributes Durable and easy to care for. Starting in June and then continues to re-bloom clusters of lily-like Pink with Maroon centered flowers that tower high above the foliage.

Daylily, Bela Lugosi

Hemerocallis x 'Bela Lugosi'

Type Semi-Evergreen **Height** 33 inches **Spread** 2 to 3 feet
Foliage Long slender grass like foliage
Summer Color Medium Green **Autumn Color** Yellow Tones
USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade
Plant Attributes Durable and easy to care for. Starting in Mid Summer clusters of lily-like Purple with Lime Green throated flowers that tower high above the foliage.

Daylily, Carlotta

Hemerocallis x 'Carlotta'

Type Deciduous **Height** 25 inches **Spread** 2 to 3 feet
Foliage Grass or sword shaped foliage
Summer Color Green **Autumn Color** Yellow Tones
USDA Zones 3 to 9 **Exposure** Full Sun to Partial Shade
Plant Attributes Durable and easy to care for. Starting in July and then continues to re-bloom clusters of lily-like, Raspberry Red with Lemon Yellow watermarked flowers that tower high above the foliage.

Daylily, Daring Deception

Hemerocallis x 'Daring Deception'

Type Semi-Evergreen **Height** 24 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Medium Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Cream-Pink with dark purple throated flowers that tower high above the foliage.

Daylily, Frans Hal's

Hemerocallis x 'Frans Hal's'

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet

Foliage Grass or sword shaped foliage

Summer Color Green **Autumn Color** Yellow Tones

USDA Zones 3 to 9 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. In Mid Summer, clusters appear of lily-like alternating petals in yellow and orange flowers that tower high above the foliage.

Daylily, Happy Returns

Hemerocallis x 'Happy Returns'

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet

Foliage Long slender blades

Summer Color Medium Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Lemon Yellow flowers that tower high above the foliage.

Daylily, Little Business

Hemerocallis x 'Little Business'

Type Deciduous **Height** 16 inches **Spread** 12 to 18 inches

Foliage Grass or sword shaped foliage

Summer Color Green **Autumn Color** Yellow Tones

USDA Zones 4 to 11 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Lemon Raspberry Pink flowers that tower high above the foliage.

Daylily, Little Grapette

Hemerocallis x 'Little Grapette'

Type Deciduous **Height** 16 inches **Spread** 12 to 18 inches

Foliage Grass or sword shaped foliage

Summer Color Green **Autumn Color** Yellow Tones

USDA Zones 4 to 11 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. In Early to Mid Summer, clusters appear of lily-like Lavender Purple flowers that tower high above the foliage.

Daylily, Purple De Oro

Hemerocallis x 'Purple De Oro'

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet

Foliage Grass or sword shaped foliage

Summer Color Green **Autumn Color** Yellow Tones

USDA Zones 3 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Mid Summer and then continues to re-bloom clusters of lily-like Purple flowers that tower high above the foliage.

Daylily, Razzamatazz

Hemerocallis x 'Razzamatazz'

Type Deciduous **Height** 20 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Medium Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Purple with Yellow throated flowers that tower high above the foliage.

Daylily, Rosy Returns

Hemerocallis x 'Rosy Returns'

Type Deciduous **Height** 14 inches **Spread** 12 to 18 inches

Foliage Long, grass like

Summer Color Green **Autumn Color** Yellow Tones

USDA Zones 5 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Rose Pink flowers that tower high above the foliage.

Daylily, Stella D' Oro

Hemerocallis x 'Stella D'Oro'

Type Deciduous **Height** 12 inches **Spread** 12 to 18 inches

Foliage Long slender blades

Summer Color Dark Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Golden Yellow flowers that tower high above the foliage.

Daylily, Strawberry Candy

Hemerocallis x 'Strawberry Candy'

Type Semi-Evergreen **Height** 26 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Medium Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. In Early to Mid Summer, clusters appear of lily-like Pink, Bright Red Eye Orange gold watermark green throated flowers that tower high above the foliage.

Daylily, Swirling Water

Hemerocallis x 'Swirling Water'

Type Deciduous **Height** 12 to 15 inches **Spread** 2 to 3 feet

Foliage Long slender grass like foliage

Summer Color Medium Green **Autumn Color** Yellow Tones

USDA Zones 3 to 10 **Exposure** Full Sun to Partial Shade

Plant Attributes Durable and easy to care for. Starting in Early Summer and then continues to re-bloom clusters of lily-like Golden Purple with yellow centered flowers that tower high above the foliage.

Dead Nettle, Anne Greenway

Lamium x 'Anne Greenway'

Type Deciduous **Height** 6 to 8 inches **Spread** 2 to 3 feet

Foliage Oval to heart shaped 1 to 2 inches long

Summer Color Frosted Green with Yellow margins **Autumn Color** Bronze to Brown

USDA Zones 3 to 8 **Exposure** Afternoon Shade

Plant Attributes Great foliage interest for a shade garden with Frosty Green with Yellow edged leaves. In Late Spring to Early Summer, 1 inch long, Soft Pale Pink flowers appear just above the foliage.

Dead Nettle, Purple Dragon

Lamium maculatum 'Purple Dragon'

Type Deciduous **Height** 4-8 inches **Spread** 2 to 3 feet

Foliage Oval to heart shaped 1 to 2 inches long

Summer Color Silvery Green **Autumn Color**

USDA Zones 3 to 8 **Exposure** Afternoon Shade

Plant Attributes Great foliage interest for a shade garden with Frosty Silver leaves. In Late Spring to Early Summer, 1 inch long, Deep Purple flowers appear just above the foliage.

Dianthus (Pinks), Arctic Fire

Dianthus deltooides 'Arctic Fire'

Type Evergreen **Height** 8 inches **Spread** 18 to 24 inches

Foliage Grass like

Summer Color Dark Green **Autumn Color** Purplish-Red

USDA Zones 3 to 9 **Exposure** Full Sun to Partial Shade

Plant Attributes Great evergreen groundcover for both sun and shady areas where some early summer color is needed. That is when single White with Pink eyed flowers appear above foliage.

Dianthus (Pinks), Neon Star

Dianthus x 'Neon Star'

Type Evergreen **Height** 7 inches **Spread** 1 to 2 feet

Foliage Grass like foliage

Summer Color Blue-grey **Autumn Color** Blue-grey

USDA Zones 5-9 **Exposure** Full Sun to Partial Shade

Plant Attributes Great evergreen groundcover for both sun and shady areas. In Early Summer and Early Fall, single Pink flowers appear above foliage.

Dianthus (Pinks), Strawberry Sorbet*Dianthus x 'Strawberry Sorbet'*

Type Evergreen **Height** 14 inches **Spread** 1 to 2 feet**Foliage** Usually narrow leaves with swollen joints**Summer Color** Blue Green **Autumn Color** Blue Green**USDA Zones** 5 to 9 **Exposure** Full Sun to Partial Shade**Plant Attributes** Great evergreen groundcover for both sun and shady areas. In Early Summer and Early Fall, single deep red with pink spotted flowers appear above foliage.

Evening Primrose, Ozark Sundrops*Oenothera missouriensis*

Type Deciduous **Height** 12 to 15 inches **Spread** 3 to 4 feet**Foliage** Narrow lance shaped**Summer Color** Dark Green **Autumn Color** Bronze to Brown**USDA Zones** **Exposure** Full Sun**Plant Attributes** If you need Yellow, this will do the trick with 4 inch poppy-like Bright Yellow flowers that bloom Early Summer and periodically till frost.

Fern, Autumn Brilliance*Dryopteris erythrosora 'Brilliance'*

Type Semi-Evergreen **Height** 18 to 24 inches **Spread** 18 to 24 inches**Foliage** Sword like fronds**Summer Color** Green with new growth coppery red **Autumn Color** Bronze**USDA Zones** 5 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great Accent Plant for shade gardens. Spring new growth is copper red turning to bright green. Then in fall and winter is bronze.

Fern, Dre's Dagger*Athyrium filix-femina 'Dre's Dagger'*

Type Deciduous **Height** 2 feet **Spread** 2 feet**Foliage** Long sword like fronds**Summer Color** Pale to Dark Green **Autumn Color** Pale to Dark Green**USDA Zones** 4 **Exposure** Afternoon Shade**Plant Attributes** Great one for the shade garden, adds color and interest. Good for areas with poor drainage and as a low border.

Fern, Ghost*Athyrium x 'Ghost'*

Type Deciduous **Height** 2 to 3 feet **Spread** 2 to 3 feet**Foliage** Long sword like fronds**Summer Color** Silvery Green **Autumn Color** Brown**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great one for the shade garden, adds color and interest. Good for areas with poor drainage and as a low border.

Fern, Red Beauty Painted

Athyrium niponicum 'Red Beauty'

Type Deciduous **Height** 18 to 24 inches **Spread** 2 to 3 feet

Foliage Sword like fronds

Summer Color Silvery Green with Red veins and stems **Autumn Color** Brown

USDA Zones 4 to 9 **Exposure** Afternoon Shade

Plant Attributes Great one for the shade garden, adds color and interest. Good for areas with poor drainage and as a low border.

Foamy Bells, Stoplight

Heucherella x 'Stoplight'

Type Semi-Evergreen **Height** 12 inches **Spread** 2 feet

Foliage Rounded lobed leaves similar to coral bells

Summer Color Radiant Yellow with a large Red blotch that feathers o **Autumn Color** Yellow to Orange

USDA Zones 4 to 9 **Exposure** Afternoon Shade

Plant Attributes Great Foliage interest with Yellow Green foliage with a red blotch. In late spring to early summer clusters of airy white sprays rise above foliage.

French Tarragon (Herb)

Artemisia dracunculus

Type Deciduous **Height** 3 feet **Spread** 3 feet

Foliage Long, smooth, shiny leaves

Summer Color Dark Green **Autumn Color** Dark Green to Bronze

USDA Zones **Exposure** Full Sun

Plant Attributes Tarragon's open and air habit softens harsh lines of a landscape. Use fresh or dried leaves to provide flavor for salads or cooked dishes.

Fuchsia, Santa Claus

Fuchsia hybrida 'Santa Claus'

Type Evergreen **Height** 3 feet **Spread** 3 feet

Foliage Point oval

Summer Color Green **Autumn Color** Green

USDA Zones 7 **Exposure** Afternoon Shade

Plant Attributes A shade garden treat, where you have a fuchsia that will survive our mild winters. Flowers in the summer with red and white flowers.

Globeflower (Chinese), Golden Queen

Trollius chinensis 'Golden Queen'

Type Deciduous **Height** 24 to 36 inches **Spread** 2 to 3 feet

Foliage Three lobed flowers with serrated edges

Summer Color Green **Autumn Color** Bronze to Brown

USDA Zones 3 to 7 **Exposure** Full Sun

Plant Attributes Dark Green foliage gives way in Late Spring to Mid Summer, Large Golden-orange flowers.

Hellebore, Blue Lady*Helleborus x 'Blue Lady'*

Type _____ **Height** _____ **Spread** _____
Foliage _____
Summer Color _____ **Autumn Color** _____
USDA Zones _____ **Exposure** _____
Plant Attributes _____

Hellebore, Royal Heritage

Type Deciduous **Height** 18 to 24 inches **Spread** 2 to 3 feet
Foliage Pointed Oval, 2 to 3 inches long
Summer Color Dark Green **Autumn Color** Brown
USDA Zones 5 **Exposure** Afternoon Shade
Plant Attributes Dark Green foliage year round with Single Cupped shaped red, white, purple and pink flowers in Early to Mid Spring.

Hellebore, White Spotted Lady*Helleborus x hybridus 'White Spotted Lady'*

Type Deciduous **Height** 18 to 20 inches **Spread** 2 to 3 feet
Foliage Pointed Oval, 2 to 3 inches long
Summer Color Dark Green **Autumn Color** Brown
USDA Zones 5 **Exposure** Afternoon Shade
Plant Attributes Dark Green foliage year round with Single Cupped shaped cream with dark red speckled flowers in Early to Mid Spring.

Hen and Chicks, Pilioseum*Sempervivum tectorum 'Pilioseum'*

Type Evergreen **Height** 3 to 4 inches **Spread** 1 to 2 feet
Foliage Small to large rosettes
Summer Color Green **Autumn Color** Green
USDA Zones 3 to 8 **Exposure** Full Sun
Plant Attributes Groundcover for dry areas and green foliage interest. Allow to colonize for best effect.

Hens and Chicks*Sempervivum tectorum*

Type Evergreen **Height** 2 to 6 inches **Spread** 1 to 2 feet
Foliage Small to large rosettes
Summer Color Deep Green to Red **Autumn Color** Reds
USDA Zones 3 to 8 **Exposure** Full Sun
Plant Attributes Groundcover for dry areas and green/red foliage interest. Allow to colonize for best effect.

Hibiscus (Rose Mallow), Dave Flemming*Hibiscus moscheutos 'Dave Flemming'*

Type Deciduous **Height** 3 to 4 feet **Spread** 3 to 4 feet**Foliage** Large lobed**Summer Color** Green **Autumn Color** Green**USDA Zones** 4 to 10 **Exposure** Full Sun**Plant Attributes** Large dinner plate sized, Red flowers appear from July to Frost.

Hibiscus (Rose Mallow), Jazzberry Jam*Hibiscus x 'Jazzberry Jam'*

Type Deciduous **Height** 4 to 5 feet **Spread** 4 to 5 feet**Foliage** Oval, toothed**Summer Color** Green **Autumn Color** Yellow to Bronze**USDA Zones** 4 to 9 **Exposure** Full Sun to Partial Shade**Plant Attributes** Large dinner plate sized, Magenta Pink flowers with red centers appear from July to Frost.

Hibiscus (Rose Mallow), Snowflake*Hibiscus moscheutos 'Snowflake'*

Type Deciduous **Height** 3 to 4 feet **Spread** 3 to 4 feet**Foliage** Large lobed**Summer Color** Green **Autumn Color** Green**USDA Zones** 4 to 10 **Exposure** Full Sun**Plant Attributes** Large dinner plate sized, Red Pink flowers appear from July to Frost.

Hosta, Abiqua Drinking Gourd*Hosta x 'Abiqua Drinking Gourd'*

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** Oval to round leaves**Summer Color** Dark Green-Blue **Autumn Color****USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, White flowers rise above the foliage on tall spikes.

Hosta, Bill Brincka*Hosta x 'Bill Brincka'*

Type Deciduous **Height** 28 inches **Spread** 3 to 4 feet**Foliage** Small pointed oval leaves**Summer Color** Dark Green with yellow margins **Autumn Color** Yellow to Brown**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Light Lavender flowers rise above the foliage on tall spikes.

Hosta, Cherry Berry

Hosta x 'Cherry Berry'

Type Deciduous **Height** 10 inches **Spread** 18 to 24 inches

Foliage Lance shaped leaves

Summer Color White with dark Green margins **Autumn Color** Yellow

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Purple Blue flowers rise above the foliage on tall spikes.

Hosta, Crown Jewell

Hosta x 'Crown Jewel'

Type Deciduous **Height** 10 inches **Spread** 18 to 24 inches

Foliage Ovate foliage

Summer Color Green with White margin **Autumn Color** Yellow to Brown

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Dancing In The Rain

Hosta x 'Dancing In The Rain'

Type Deciduous **Height** 32 inches **Spread** 3 to 4 feet

Foliage Pointed oval foliage

Summer Color White centers with Blue Green streaks and margins **Autumn Color** Yellow to Brown

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Pale Lavender flowers rise above the foliage on tall spikes.

Hosta, Elegans

Hosta sieboidiana 'Elegans'

Type Deciduous **Height** 2 to 3 feet **Spread** 3 to 4 feet

Foliage Large oval 12 inches across and heavily textured

Summer Color Blue to Blue Green **Autumn Color** Blue Green

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, White flowers rise above the foliage on tall spikes.

Hosta, Great Expectations

Hosta x 'Great Expectations'

Type Deciduous **Height** 20 inches **Spread** 2 to 3 feet

Foliage Large, oval, heavily textured leaves

Summer Color Bright Gold with Green margins **Autumn Color** Bright Gold with Green margins

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, White flowers rise above the foliage on tall spikes.

Hosta, Hadspen Blue

Hosta x 'Hadspen Blue'

Type Deciduous **Height** 22 inches **Spread** 2 to 3 feet

Foliage Oval to round leaves

Summer Color Steel Blue **Autumn Color** Yellow to Brown

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Pale Lavender flowers rise above the foliage on tall spikes.

Hosta, June

Hosta x 'June'

Type Deciduous **Height** 16 inches **Spread** 18 to 24 inches

Foliage Narrow heart shaped leaves

Summer Color Yellow foliage with Green Margins **Autumn Color** Yellow to Brown

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Liberty

Hosta x 'Liberty'

Type Deciduous **Height** 26 inches **Spread** 2 to 3 feet

Foliage Oval to round leaves

Summer Color Green center with Yellow margins that lightens to cream **Autumn Color**

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Morning Lights

Hosta x 'Morning Light'

Type Deciduous **Height** 16 inches **Spread** 18 to 24 inches

Foliage Heavy substance broadly ovate leaves

Summer Color Pale Yellow centers with a two tones Green margin **Autumn Color** Yellow to Brown

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Pale Lavender flowers rise above the foliage on tall spikes.

Hosta, Pandora's Box

Hosta x 'Pandora's Box'

Type Deciduous **Height** 4 to 6 inches **Spread** 18 to 24 inches

Foliage Heart Shaped leaves

Summer Color White centers with Green Margins **Autumn Color** Yellow

USDA Zones 3 to 9 **Exposure** Afternoon Shade

Plant Attributes Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Paul's Glory*Hosta x 'Paul's Glory'*

Type Deciduous **Height** 25 inches **Spread** 3 to 4 feet**Foliage** Oval to round leaves**Summer Color** Blue-Green with a chartreuse center in spring **Autumn Color****USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Pale Lavender flowers rise above the foliage on tall spikes.

Hosta, Rainforest Sunrise*Hosta x 'Rainforest Sunrise'*

Type Deciduous **Height** 8 inches **Spread** 18 to 24 inches**Foliage** Heart Shaped leaves**Summer Color** Light green with dark green margins **Autumn Color** Yellow**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Red October*Hosta x 'Red October'*

Type Deciduous **Height** 10 inches **Spread** 18 to 24 inches**Foliage** Heart Shaped leaves**Summer Color** Green **Autumn Color** Yellow**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Stained Glass*Hosta x 'Stained Glass'*

Type Deciduous **Height** 15 inches **Spread** 18 to 24 inches**Foliage** Huge 10 1/2 inch broadly ovate leaves**Summer Color** Brilliant Gold leaves with wide dark Green margins **Autumn Color** Yellow to Brown**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Pale Lavender flowers rise above the foliage on tall spikes.

Hosta, The Razor's Edge*Hosta x 'The Razor's Edge'*

Type Deciduous **Height** 9 inches **Spread** 1 to 2 feet**Foliage** Lance shaped but ruffled**Summer Color** Dark Green with Red Stems **Autumn Color** Yellow to Brown**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Hosta, Tokudama Aureonebulosa*Hosta x 'Tokudama Aureonebulosa'*

Type Deciduous **Height** 15 inches **Spread** 2 to 3 feet**Foliage** Heart Shaped, Large**Summer Color** Chartreuse green with a dark green margin **Autumn Color** Bronze to Brown**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, White flowers rise above the foliage on tall spikes.

Hosta, Undulata Mediopicta*Hosta x 'Undulata Mediopicta'*

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** Oval to round leaves**Summer Color** White centers with green margins **Autumn Color****USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lilac flowers rise above the foliage on tall spikes.

Hosta, Ventricosa*Hosta x 'Ventricosa'*

Type Deciduous **Height** 1 1/2 to 2 feet **Spread** 2 to 3 feet**Foliage** Deep Grooved somewhat narrow 8 to 12 inches**Summer Color** Glossy Light Green **Autumn Color** Light Green**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Blue-Purple flowers rise above the foliage on tall spikes.

Hosta, Whirlwind*Hosta x 'Whirlwind'*

Type Deciduous **Height** 20 inches **Spread** 2 to 3 feet**Foliage** Heart Shaped leaves**Summer Color** Light Green with a Darker Green Margin **Autumn Color** Yellow**USDA Zones** 3 to 9 **Exposure** Afternoon Shade**Plant Attributes** Great for borders or foliage interest. Easy to grow. In Mid Summer bell shaped, Lavender flowers rise above the foliage on tall spikes.

Houttuynia, Chameleon*Houttuynia cordata 'Chameleon'*

Type Deciduous **Height** 6 inches **Spread** 3 to 4 feet**Foliage** 1 inch heart shaped leaves**Summer Color** Blend of Yellow, Green and Pink **Autumn Color** Bronze, Scarlet**USDA Zones** 4 to 9 **Exposure** Afternoon Shade**Plant Attributes** Vigorous Groundcover with a great foliage interest. In Early to Mid Summer, small single blooms like tiny Dogwood blooms appear amongst the foliage.

Hummingbird Mint (Anise Hyssop), Blue Fortu *Agastache x 'Blue Fortune'*

Type Deciduous **Height** 3 foot **Spread** 2 to 3 feet
Foliage Oval serrated
Summer Color Medium Green **Autumn Color** Medium Green to Bronzy Brown
USDA Zones 5 to 9 **Exposure** Full Sun to Partial Shade
Plant Attributes Attracts hummingbirds and butterflies in Mid Summer to Early Fall with powder blue, fragrant spikes of flower clusters 36 inches tall. Heat and drought tolerant.

Ice Plant, Hardy *Delosperma cooperi*

Type Deciduous **Height** 5 inches **Spread** 2 to 3 feet
Foliage Narrow, fleshy leaves, somewhat sparse
Summer Color Medium Green **Autumn Color** Medium Green to Bronze
USDA Zones 3 to 9⁺ **Exposure** Full Sun
Plant Attributes An odd textured Groundcover that gives Deep Rose Pink spider-like flowers on foliage tips.

Iris (Siberian), Pink Haze *Iris sibirica 'Pink Haze'*

Type Deciduous **Height** 30-36 inches **Spread** 3 to 4 feet
Foliage Upright, flat wide sprays that are sword like
Summer Color Green **Autumn Color** Yellow to Bronze
USDA Zones 3-9 **Exposure** Full Sun
Plant Attributes In Mid Summer; soft Lavender-Pink with white edged flowers rise above on long graceful stems.

Iris (Siberian), Silver Edge *Iris sibirica 'Silver edge'*

Type Deciduous **Height** 24-30 inches **Spread** 3 to 4 feet
Foliage Upright, flat wide sprays that are sword like
Summer Color Green **Autumn Color** Yellow to Bronze
USDA Zones 3-9 **Exposure** Full Sun
Plant Attributes In Mid Summer; soft Sky blue with silver edged flowers rise above on long graceful stems.

Iris, Siberian *Iris sibirica*

Type Deciduous **Height** 36 inches **Spread** 3 to 4 feet
Foliage Long slender grass like
Summer Color Medium Green **Autumn Color** Green to Brown
USDA Zones 3 to 9 **Exposure** Full Sun
Plant Attributes In Mid Summer; soft white, blue lavender, pink, yellow or purple flowers rise above on long graceful stems.

Lavender (English), Ellagance Purple*Lavandula angustifolia 'Ellagance Purple'*

Type Semi-Evergreen **Height** 12 inches **Spread** 2 to 3 feet**Foliage** Small narrow foliage**Summer Color** Gray - Green **Autumn Color** Gray - Green**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Mid Summer and throughout Early Fall, violet Purple Blue spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Ellagance Sky*Lavandula angustifolia 'Ellagance Sky'*

Type Semi-Evergreen **Height** 12 inches **Spread** 2 to 3 feet**Foliage** Small narrow foliage**Summer Color** Gray - Green **Autumn Color** Gray - Green**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Mid Summer and throughout Early Fall, violet blue spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Grosso*Lavandula x intermedia 'Grosso'*

Type Semi-Evergreen **Height** 24 inches **Spread** 3 to 4 feet**Foliage** Small narrow foliage**Summer Color** Gray - Green **Autumn Color** Gray Green**USDA Zones** 6 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Early Summer and throughout Late Summer, Violet-Blue spikes rise above foliage. Dried flowers can be used in a variety of crafts.

Lavender (English), Hidcote*Lavandula angustifolia 'Hidcote'*

Type Semi-Evergreen **Height** 1 1/2 to 2 feet **Spread** 3 to 4 feet**Foliage** Small spikes**Summer Color** Silvery Gray **Autumn Color** Silvery Gray**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Mid Summer and throughout Late Summer, dark purple spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Hidcote Superior*Lavandula angustifolia 'Hidcote Superior'*

Type Semi-Evergreen **Height** 16 inches **Spread** 3 to 4 feet**Foliage** Small narrow foliage**Summer Color** Grey-Green **Autumn Color** Grey-Green**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Early Summer and throughout Late Summer, dark purple spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Jean Davis*Lavandula angustifolia 'Jean Davis'*

Type Semi-Evergreen **Height** 18 inches **Spread** 3 to 4 feet**Foliage** Small narrow foliage**Summer Color** Gray - Green **Autumn Color** Gray - Green**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Late Spring and throughout Late Summer, pinkish white spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Munstead*Lavandula angustifolia 'Munstead'*

Type Semi-Evergreen **Height** 16 to 20 inches **Spread** 3 to 4 feet**Foliage** Small narrow foliage**Summer Color** Gray - Green **Autumn Color** Gray - Green**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Late Spring and throughout Late Summer, Rich Lavender spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lavender (English), Thumbelina Leight*Lavandula angustifolia 'Thumbelina Leigh'*

Type Semi-Evergreen **Height** 6 inches **Spread** 12 inches**Foliage** Small narrow foliage**Summer Color** Green **Autumn Color****USDA Zones** 5-9 **Exposure** Full Sun**Plant Attributes** Aromatic Foliage. Easy care plant. Starting in Early Summer and throughout Late Summer, Blue-Violet spikes rise above foliage. Dried flowers can be used in a variety of crafts. Fresh flowers can be used in a variety of dishes.

Lily (Asiatic), Creation*Lilium asiatica 'Creation'*

Lily (Oriental), Star Gazer*Lilium oriental 'Star Gazer'*

Type _____ **Height** _____ **Spread** _____
Foliage _____
Summer Color _____ **Autumn Color** _____
USDA Zones _____ **Exposure** _____
Plant Attributes _____

Lily of The Nile, Midnight Blue*Agapanthus x 'Monmid'*

Type Evergreen **Height** 2 feet **Spread** 2 to 3 feet
Foliage Strap like foliage
Summer Color Dark Green **Autumn Color** Dark Green
USDA Zones 6 to 11 **Exposure** Full Sun
Plant Attributes A border plant that give great blue flowers throughout the summer.

Lily Turf, Big Blue*Liriope muscari 'Big Blue'*

Type Evergreen **Height** 12 - 18 inches **Spread** 2 to 3 feet
Foliage Wide grass like leaves
Summer Color Green **Autumn Color** Yellow when really cold.
USDA Zones 5-10 **Exposure** Afternoon Shade
Plant Attributes A low grass like foliage interest for the shady spots. In Mid Summer; clusters of lilac purple flowers rise above foliage.

Lily Turf, Silvery Sunproof

Liriope muscari 'Silvery Sunproof'

Type Evergreen **Height** 10 to 15 inches **Spread** 2 to 3 feet

Foliage Wide grass like leaves

Summer Color Green and White Striped **Autumn Color** Green and White Striped

USDA Zones 6 to 10 **Exposure** Afternoon Shade

Plant Attributes A low grass like, variegated foliage interest for the shady spots. In Mid Summer; clusters of lilac purple flowers rise above foliage.

Lithodora, Grace Ward

Lithodora diffusa 'Gace Ward'

Type Evergreen **Height** 6 to 12 inches **Spread** 3 to 4 feet

Foliage Narrow 3/4-1 inch long pointed leaves.

Summer Color Green **Autumn Color** Dull Green

USDA Zones 6-8 **Exposure** Full Sun to Partial Shade

Plant Attributes Very nice groundcover, with true blue flowers in Late Spring to Early Summer.

Lobelia, Fan Scarlet

Lobelia Speciosa 'Fan Scarlet'

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet

Foliage Narrow to ovate shaped leaves

Summer Color Bronze-green **Autumn Color**

USDA Zones 5-9 **Exposure** Full Sun

Plant Attributes Great for areas with poor drainage. From Mid Summer into Fall, tall spikes of Red flowers rise above foliage.

Lungwort, Raspberry Splash

Pulmonaria x 'Raspberry Splash'

Type Deciduous **Height** 10 to 12 inches **Spread** 2 to 3 feet

Foliage White spotted round leaves

Summer Color G Green with White spots **Autumn Color** Rusty Brown

USDA Zones 3 to 9 **Exposure** Afternoon to Full shade

Plant Attributes White spotted leaves showcase Raspberry Pink funnel shaped flowers in Late Spring.

Maltese Cross, Orange Gnome

Lychnis x arkwrightii 'Orange Gnome'

Type Deciduous **Height** 8 inches **Spread** 1 foot

Foliage Long pointed oval

Summer Color Dark Green-bronze **Autumn Color** Bronze to Brown

USDA Zones 3 to 9 **Exposure** Full Sun

Plant Attributes Bronze-Green foliage that supports brilliant orange single flowers from Early to Mid Summer.

Masterwort, Major Lars*Astrantia 'Major Lars'*

Type _____ **Height** _____ **Spread** _____
Foliage _____
Summer Color _____ **Autumn Color** _____
USDA Zones _____ **Exposure** _____
Plant Attributes _____

Mullein, Summer Sorbet*Verbascum 'Summer Sorbet'*

Type Deciduous **Height** 24 inches **Spread** 2 to 3 feet
Foliage Large, oval leaves
Summer Color Dark Green **Autumn Color** Yellow to Brown
USDA Zones 5 to 9 **Exposure** Full Sun
Plant Attributes Tall spikes of Magenta Purple flowers that rise above foliage from Mid Summer to Early Fall.

Pasque Flower, Red Clock*Pulsatilla vulgaris 'Red Clock'*

Type Deciduous **Height** 9 to 12 inches **Spread** 2 to 3 feet
Foliage Long fern like leaves
Summer Color Light Green **Autumn Color** Bronze to Brown
USDA Zones 5 **Exposure** Full Sun
Plant Attributes Fern like leaves give way in Early Spring to single Red Flowers that rise above foliage. Allow feathery seed pods to develop for an added show.

Peony, Felix Crouses*Paeonia lactiflora 'Felix Crouses'*

Type Deciduous **Height** 2 to 3 feet **Spread** 2 to 3 feet
Foliage Large attractively divided leaves
Summer Color Dark Green **Autumn Color** Yellow to Bronze
USDA Zones 3 to 8 **Exposure** Full Sun to Partial Shade
Plant Attributes A double intrigue with attractive foliage that supports fragrant Dark Pink flowers in Late Spring to Early Summer.

Perennial Salvia, Heat Wave Blast*Salvia greggii 'Heatwave Blast'*

Type Deciduous **Height** 30 inches **Spread** 2 to 3 feet
Foliage Small point oval
Summer Color Medium Green **Autumn Color** Yellow Brown
USDA Zones 6 to 9 **Exposure** Full Sun
Plant Attributes A heat tolerant plant for areas that need color throughout the summer with salmon pink flowers.

Phlox (Creeping), Candy Stripe

Phlox subulata 'Candy Strip'

Type Evergreen **Height** 4 to 6 inches **Spread** 2 to 3 feet

Foliage Needle shaped, bright moss foliage

Summer Color Bright Green **Autumn Color** Brownish Green

USDA Zones 2 to 8 **Exposure** Full Sun

Plant Attributes When you need something creeping in hot flower beds. In late Spring; single white and pink striped flowers cover the plant.

Phlox (Creeping), Emerald Blue

Phlox subulata 'Emerald Blue'

Type Evergreen **Height** 4 to 6 inches **Spread** 2 to 3 feet

Foliage Needle shaped, moss like foliage

Summer Color Dark Green **Autumn Color** Dark to Brownish Green

USDA Zones 3 to 9 **Exposure** Full Sun

Plant Attributes When you need something creeping in hot flower beds. In late Spring; single blue flowers cover the plant.

Phlox (Creeping), Emerald Pink

Phlox subulata 'Emerald Pink'

Type Evergreen **Height** 4 to 6 inches **Spread** 2 to 3 feet

Foliage Needle shaped, moss like foliage

Summer Color Dark Green **Autumn Color** Dark to Brownish Green

USDA Zones 3 to 9 **Exposure** Full Sun

Plant Attributes When you need something creeping in hot flower beds. In late Spring; single pink flowers cover the plant.

Pincushion Flower, Butterfly Blue

Scabiosa columbaria 'Butterfly Blue'

Type Deciduous **Height** 15 inches **Spread** 1 to 2 feet

Foliage Narrow foliage

Summer Color Green **Autumn Color** Green

USDA Zones 5 **Exposure** Full Sun to Partial Shade

Plant Attributes From Late Spring to Late Summer cluster of pin-cushion like, blue-lavender flowers rise above the foliage.

Pincushion Flower, Pincushion Pink

Scabiosa columbaria 'nana'

Type Deciduous **Height** 10 inches **Spread** 1 to 2 feet

Foliage Small, Narrow foliage

Summer Color Green **Autumn Color** Green to Brown

USDA Zones 5 **Exposure** Full Sun to Partial Shade

Plant Attributes From Late Spring to Late Summer cluster of pin-cushion like, pink flowers rise above the foliage.

Potentilla, Light My Fire*Potentilla x 'Light My Fire'*

Type Deciduous **Height** 18 to 24 inches **Spread** 2 to 3 feet**Foliage** Rounded, deeply lobed leaves**Summer Color** Green **Autumn Color** Green to Brown**USDA Zones** 4 to 9 **Exposure** Full Sun to Partial Shade**Plant Attributes** Medium height groundcover that in Summer; blooms buttercup shaped pink with red centered flowers.

Prairie Mallow, Partygirl*Sidalcea x 'Partygirl'*

Type Deciduous **Height** 24 to 48 inches **Spread** 2 to 3 feet**Foliage** Small, lobed leaves**Summer Color** Green **Autumn Color** Bronze to Brown**USDA Zones** 5 to 7 **Exposure** Full Sun to Part Shade**Plant Attributes** Starting in Mid Summer, tall spike clusters of Rose Pink rise above foliage.

Red Hot Poker, Early Hybrids*Kniphofia ulvaria 'Early Hybrids'*

Type Deciduous **Height** 30 to 36 inches **Spread** 30 to 36 inches**Foliage** Grass like foliage**Summer Color** Green **Autumn Color** Bronze to Brown**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Durable perennial that in Summer produces tubular overlapping Yellow, Orange to Red clusters of flowers that rise above the foliage.

Russian Sage*Perovskia atriplicifolia 'Russian Sage'*

Type Deciduous **Height** 3 to 4 feet **Spread** 3 to 4 feet**Foliage** 1 1/2 to 4 inch coarsely toothed, lance shaped**Summer Color** Silvery Green **Autumn Color** Silvery Green**USDA Zones** 4 to 9 **Exposure** Full Sun**Plant Attributes** Likes it hot, dry, and tough areas. From Late Summer to Early Fall; Large sprays of small blue flowers rise above the foliage.

Russian Sage, Little Spire*Perovskia x 'Little Spire'*

Type Deciduous **Height** 25 inches **Spread** 2 to 3 feet**Foliage** Short pointed leaves**Summer Color** Grey-Green **Autumn Color** Bronze to Brown**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Likes it hot, dry, and tough areas. From Late Summer to Early Fall; Large sprays of small blue flowers rise above the foliage.

Salomon's Seal*Polygonatum odoratum 'Variegatum'*

Type Deciduous **Height** 20 to 24 inches **Spread** 2 to 3 feet**Foliage** Thick, broad pointed oval, 2 to 3 inches**Summer Color** Green with a White variegated margin **Autumn Color** Bright Yellow**USDA Zones** 2 to 8 **Exposure** Afternoon Shade**Plant Attributes** Variegated foliage that in Late Spring produces pairs of small bell shaped, white flowers.

Salvia, Desert Blaze*Salvia greggii 'Desert Blaze'*

Type Evergreen **Height** 18 inches **Spread** 18 inches**Foliage** Pointed Oval**Summer Color** Green with white margins **Autumn Color** Green with white margins**USDA Zones** 7 **Exposure** Full Sun to Partial Shade**Plant Attributes** A compact foliage and flower interest that can handle hot areas that need a little sizzle with red flowers in the summer time.

Salvia, May Night*Salvia nemorosa 'May Night'*

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** Softly textured ovate leaves**Summer Color** Gray Green **Autumn Color** Bronze to Brown**USDA Zones** 3 to 8 **Exposure** Full Sun**Plant Attributes** Deep Violet Purple flower clusters rise above foliage from Early to Mid Summer.

Salvia, Plumosa*Salvia nemorosa 'Plumosa'*

Type Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** Softly textured ovate leaves**Summer Color** Gray Green **Autumn Color** Bronze to Brown**USDA Zones** 3 to 8 **Exposure** Full Sun**Plant Attributes** Unlike other Salvias this one produces Larger blooms clusters like an Astible that are loaded with Rose-purple flowers in Early Summer.

Sedum (Stonecrop), Angelina*Sedum reptre 'Angelina'*

Type Evergreen **Height** 3 to 5 inches **Spread** 1 to 2 feet**Foliage** Small succulent that are needle like**Summer Color** Golden yellow **Autumn Color** Golden yellow**USDA Zones** 3 to 11 **Exposure** Full Sun**Plant Attributes** Foliage Interest, Golden Yellow leaves in the growing season, turns orange for the winter. In early summer clusters of tiny yellow flowers appear.

Sedum (Stonecrop), Blue Cauticola*Sedum cauticola*

Type Evergreen **Height** 2 inches **Spread** 1 to 2 feet**Foliage** Small and round also succulent**Summer Color** Blue-Grey **Autumn Color** Blue-Grey**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** Foliage Interest, blue gray leaves. In late summer clusters of tiny pink flowers appear.

Sedum (Stonecrop), Frosty Morn*Sedum x 'Frosty Morn'*

Type Deciduous **Height** 24 to 36 inches **Spread** 2 to 3 feet**Foliage** Rounded, even looking, upwards pointing**Summer Color** Light Green with White borders **Autumn Color** Bronze**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** Tall upright foliage interest with gray-green and white margined leaves. In late Summer to Early Fall, large clusters of pink flowers appear.

Sedum (Stonecrop), Purple Emperor*Sedum x 'Purple Emperor'*

Type Semi-Evergreen **Height** 16 inches **Spread** 2 to 3 feet**Foliage** Small oval leaflets**Summer Color** Dark Purple, almost Black **Autumn Color** Dark Purple**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** Tall upright foliage interest with dark purple leaves. In late Summer to Early Fall, large clusters of pink flowers appear.

Sedum (Stonecrop), Rosy Glow*Sedum x 'Rosy Glow'*

Type Deciduous **Height** 8 inches **Spread** 2 to 3 feet**Foliage** Small succulent that are needle like**Summer Color** Blue Grey **Autumn Color** Blue Grey**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** Foliage Interest, green. In Early summer clusters of tiny ruby red, decorative flowers appear.

Sedum (Stonecrop), Xenox*Sedum x 'Xenox'*

Type Deciduous **Height** 15 to 18 inches **Spread** 24 inches**Foliage** Point Oval**Summer Color** Maroon Red **Autumn Color** Purple Brown**USDA Zones** 3 to 9 **Exposure** Full Sun**Plant Attributes** Great for foliage color for dry spots or containers.

Shasta Daisy, Crazy Daisy

Leucanthemum superbum 'Crazy Daisy'

Type	Deciduous	Height	24 to 28 inches	Spread	2 to 3 feet
Foliage	Leathery ovate shaped leaves				
Summer Color	Dark Green	Autumn Color	Dark Green to Brown		
USDA Zones	5 to 9	Exposure	Full Sun		
Plant Attributes	Dark green foliage that provides a back drop from Early to Late Summer; to White fringed and frilly petals, with yellow eye.				

Shasta Daisy, Gold Rush

Leucanthemum superbum 'Gold Rush'

Type	Deciduous	Height	14 inches	Spread	2 to 3 feet
Foliage	Leathery ovate shaped leaves				
Summer Color	Dark Green	Autumn Color	Dark Green to Brown		
USDA Zones	5 to 9	Exposure	Full Sun to Partial Shade		
Plant Attributes	Dark green foliage that provides a back drop from Early to Late Summer; to White fringed petals, more yellow toward the center with yellow eye.				

Shasta Daisy, Snowcap

Leucanthemum 'Snowcap'

Type	Deciduous	Height	14 to 18 inches	Spread	3 to 4 feet
Foliage	Coarse leathery foliage				
Summer Color	Green	Autumn Color	Yellow to Brown		
USDA Zones	4	Exposure	Full Sun to Partial Shade		
Plant Attributes	Dark green foliage that provide a back drop from Early to Late Summer to White, single petal flower with yellow eye.				

Silver Mound

Artemisia schmidtiana 'Silver Mound'

Type	Deciduous	Height	12 inches	Spread	2 to 3 feet
Foliage	Soft, fine, delicate fern-like				
Summer Color	Silver	Autumn Color	Yellow to Bronze		
USDA Zones	3 to 7	Exposure	Full Sun		
Plant Attributes	A tough plant for dry places that add a delicate touch with its soft feeling foliage.				

Snow on the Mountain (Bishop's Weed)

Aegopodium podagraria 'Variegatum'

Type	Deciduous	Height	8 inches	Spread	3 to 4 feet
Foliage	Saw-toothed leaves				
Summer Color	Light Green edged in White	Autumn Color	Yellow to Brown		
USDA Zones	2 to 8	Exposure	Afternoon Shade		
Plant Attributes	Great, vigorous groundcover for shady area that need a splash of white to brighten garden. Good for keeping weeds out as well as a border plant.				

Spirderwort, Zwanenburg Blue

*Tradescantia virginiana 'Zwanenburg Blue'***Type** Deciduous **Height** 18 inches **Spread** 2 to 3 feet**Foliage** Narrow, pointed, grass like**Summer Color** Green **Autumn Color** Bronze**USDA Zones** 5 **Exposure** Full Sun**Plant Attributes** Green Grass-like foliage that provides Blue, three petaled flowers in Early to Mid Summer.

Starflower

*Boltonia asteroides 'Nana'***Type** Deciduous **Height** 18 to 24 inches **Spread** 3 feet**Foliage** Compact habit with small leaves**Summer Color** Green **Autumn Color** Bronze to Brown**USDA Zones** 3 to 7 **Exposure** Full Sun to Partial Shade**Plant Attributes** Great for sunny borders. Stays nice and low with a single Aster-like, white flowers on the foliage tips that appear in Late Summer.

Stoke's Aster, Honeysong Purple

*Stokesia laevis 'Honeysong Purple'***Type** Deciduous **Height** 14 inches **Spread** 1 to 2 feet**Foliage** Long, shiny, narrow foliage**Summer Color** Medium Green **Autumn Color** Bronze to Brown**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Green foliage give way to a large multi petal, Royal Purple flower from Mid Summer to Early Fall.

Stoke's Aster, Purple Pixie

*Stokesia laevis 'Purple Pixie'***Type** Deciduous **Height** 11 inches **Spread** 1 to 2 feet**Foliage** Short, shiny, narrow foliage**Summer Color** Dark Green **Autumn Color** Bronze to Brown**USDA Zones** 5 to 9 **Exposure** Full Sun**Plant Attributes** Green foliage give way to a large multi petal, Violet Blue flower from Mid Summer with some recurring blooms.

Sweet William, Heart Attack

*Dianthus barbatus 'Heart Attack'***Type** Deciduous **Height** 24 inches **Spread** 2 to 3 feet**Foliage** Glossy lance like foliage**Summer Color** Dark Green **Autumn Color** Green**USDA Zones** 4 to 9 **Exposure** Full Sun to Partial Shade**Plant Attributes** Great Groundcover with deep Crimson Red, dense clusters of carnation like flowers that appear periodically from Early Summer.

Thrift (Sea Pink), Bloodstone*Armeria maritima 'Bloodstone'*

Type Evergreen **Height** 10 inches **Spread** 8 to 12 inches**Foliage****Summer Color** Green**Autumn Color****USDA Zones** 3-9**Exposure** full Sun**Plant Attributes** Great for when you need something low and tough. Foliage provides a unique look especially when in bloom with small clusters of rose red flowers rising above the foliage in Mid Spring.

Thrift (Sea Pink), Cotton Tail*Armeria maritima 'Cotton Tail'*

Type Evergreen **Height** 6-8 inches **Spread** 8 to 12 inches**Foliage** Mounding, grass like**Summer Color** Green**Autumn Color****USDA Zones** 3 to 8**Exposure** Full sun to Part Shade**Plant Attributes** Great for when you need something low and tough. Foliage provides a unique look especially when in bloom with small clusters of white flowers rising above the foliage in Mid to Late Spring.

Toad Lily, Miyazaki Hybrids*Tricyrtis hirta 'Miyazaki Hybrids'*

Type Deciduous **Height** 3 feet **Spread** 2 to 3 feet**Foliage** Lance shaped leaves**Summer Color** Green**Autumn Color** Bronze to Brown**USDA Zones** 4 to 8**Exposure** Afternoon Shade**Plant Attributes** Tall height interest to go with fern, hostas or astilbes. In Late Summer 1 inch white with Purple speckles appear.

Toad Lily, Yellow Sunrise*Tricyrtis latifolia 'Yellow Sunrise'*

Type Deciduous **Height** 3 feet **Spread** 2 to 3 feet**Foliage** Lance shaped leaves**Summer Color** Green**Autumn Color** Bronze to Brown**USDA Zones** 4 to 8**Exposure** Afternoon Shade**Plant Attributes** Tall height interest to go with fern, hostas or astilbes. In Late Summer 1 inch white with Purple speckles appear.

Tree Mallow, Red Rum*Lavatera thuringiaca 'Red Rum'*

Type Deciduous **Height** 4 feet **Spread** 4 feet**Foliage** 3 Lobed, 2 to 3 inches**Summer Color** Green**Autumn Color** Yellow to Bronze**USDA Zones** 6**Exposure** Full Sun**Plant Attributes** Starting in Early Summer to Early Fall; hibiscus like, 3 inch wide, Bright Red Pink Blooms appear along the branches.

Tree Peony, Wu Long Pen Sung

Paeonia suffruticosa 'Wu Long Pen Sung'

Type Deciduous **Height** 4 to 5 feet **Spread** 4 to 5 feet

Foliage Large attractively divided leaves

Summer Color Dark Green **Autumn Color** Yellow to Bronze

USDA Zones 5 to 8 **Exposure** Full Sun to Partial Shade

Plant Attributes A double intrigue with attractive foliage that supports fragrant Purple Red flowers in Late Spring to Early Summer.

Turtlehead, Pink

Chelone lyonii

Type Deciduous **Height** 25 to 30 inches **Spread** 2 to 3 feet

Foliage Stiff looking, 3 to 4 inch arrowhead shape

Summer Color Dark Green **Autumn Color** Bronze to Brown

USDA Zones 3 to 7 **Exposure** Afternoon Shade

Plant Attributes Late Summer Color for the shade gardens and height. Great for wet spots in the yard or garden. From Late Summer to Early Fall, plants produce spikes of pink hooded flowers.

Yarrow, Moonshine

Achillea x 'Moonshine'

Type Deciduous **Height** 18 to 24 inches **Spread** 3 to 4 feet

Foliage Finely divided and toothed, ferny like

Summer Color Bright Silver **Autumn Color** Bronze to Brown

USDA Zones 3 to 8 **Exposure** Full Sun

Plant Attributes Durable groundcover for hot dry places or sunny spots. In Early to Mid Summer flower flat clusters of Canary Yellow that rise above foliage on 24 inch stems. Aromatic.

Yarrow, Paprika

Achillea millefolium 'Paprika'

Type Deciduous **Height** 24 to 36 inches **Spread** 3 to 4 feet

Foliage Finely divided and toothed 1 to 3 inches

Summer Color Grey-Green **Autumn Color** Bronze to Brown

USDA Zones 3 to 8 **Exposure** Full Sun

Plant Attributes Durable groundcover for hot dry places or sunny spots. In Early to Mid Summer flower flat clusters of red with yellow centers that rise above foliage on 24 inch stems. Aromatic.

Yarrow, Pretty Belinda

Achillea x 'Pretty Belinda'

Type Deciduous **Height** 20 inches **Spread** 3 to 4 feet

Foliage Ferny, upright clump

Summer Color Green **Autumn Color** Bronze to Brown

USDA Zones 4-8 **Exposure** Full Sun

Plant Attributes Durable groundcover for hot dry places or sunny spots. In Early to Mid Summer flower flat clusters of rich Pink that rise above foliage on 20 inch stems. Aromatic.

Yarrow, Strawberry Seduction

Achillea millefolium 'Strawberry Seduction'

Type	Deciduous	Height	18 to 20 inches	Spread	2 to 3 feet
Foliage	Finely divided and toothed 1 to 3 inches				
Summer Color	Grey-Green	Autumn Color	Bronze to Brown		
USDA Zones	3 to 8	Exposure	Full Sun		
Plant Attributes	Durable groundcover for hot dry places or sunny spots. In Early to Mid Summer flower flat clusters of velvet red with yellow centers that rise above foliage on 18 inch stems. Aromatic.				

Yarrow, Summer Pastels

Achillea x 'Summer Pastels'

Type	Deciduous	Height	2 feet	Spread	3 to 4 feet
Foliage	Narrow deeply divided leaves. Feathery looking				
Summer Color	Medium Green	Autumn Color	Bronze to Brown		
USDA Zones	3 to 9	Exposure	Full Sun		
Plant Attributes	Durable groundcover for hot dry places or sunny spots. In Mid to Late Summer flower flat clusters of a mixture of pastel colors that rise above foliage on 24 inch stems. Aromatic.				

Yarrow, Terra Cotta

Achillea x 'Terra Cotta'

Type	Deciduous	Height	36 inches	Spread	3 to 4 feet
Foliage	Ferny, upright clump				
Summer Color	Grey-Green	Autumn Color	Bronze to Brown		
USDA Zones	3 to 8	Exposure	Full Sun		
Plant Attributes	Durable groundcover for hot dry places or sunny spots. In Early to Mid Summer flower flat clusters of a mixture of yellows, oranges, salmon tones that rise above foliage on 36 inch stems. Aromatic.				

Yellow Eyed Grass

Sisyrinchium californicum 'Yellowstone'

Type	Deciduous	Height	8 to 12 inches	Spread	2 to 3 feet
Foliage	Long, narrow sword shaped				
Summer Color	Dark Green	Autumn Color	Bronze to Brown		
USDA Zones	6 to 10	Exposure	Full Sun		
Plant Attributes	A grass-like plant that in Late Spring to Early Summer provides small single, yellow flowers.				

Yucca (Soapweed), Color Guard

Yucca filamentosa 'Color Guard'

Type	Evergreen	Height	2 - 3 feet	Spread	clump size increases yearly
Foliage	Long, narrow sword shaped				
Summer Color	Bright creamy-Yellow with Green edges	Autumn Color			
USDA Zones	4 - 10	Exposure	Full Sun		
Plant Attributes	Great for desert looking spots with a unique foliage and flower that rises above in Mid Summer. Careful of the edges though, can be sharp.				

Yucca (Soapweed), Garland's Gold

Yucca 'Garland's Gold'

Type	Evergreen	Height	5 feet	Spread	clump size increases yearly
Foliage	Long, sword shaped				
Summer Color	Gold center strip with green edge		Autumn Color	Gold center strip with green edge	
USDA Zones	6	Exposure	Full Sun		
Plant Attributes	Great for desert looking spots with a unique foliage and flower that rises above in Mid Summer. Careful of the edges though, can be sharp.				

Yucca (Soapweed), Golden Sword

Yucca filamentosa 'Golden Sword'

Type	Evergreen	Height	3 to 4 feet	Spread	clump size increases yearly
Foliage	Long, narrow sword shaped				
Summer Color	Yellow centers with Soft Green margin		Autumn Color	Yellow centers with Soft Green margin	
USDA Zones	4 to 9	Exposure	Full Sun		
Plant Attributes	Great for desert looking spots with a unique foliage and flower that rises above in Mid Summer. Careful of the edges though, can be sharp.				

Yucca (Soapweed), Ivory Tower

Yucca filamentosa 'Ivory Tower'

Type	Evergreen	Height	3 to 4 feet	Spread	clump size increases yearly
Foliage	Long, sword shaped				
Summer Color	Green		Autumn Color	Green	
USDA Zones	4 to 9	Exposure	Full Sun		
Plant Attributes	Great for desert looking spots with a unique foliage and flower that rises above in Mid Summer. Careful of the edges though, can be sharp.				

Yucca, Red

Hesperaloe parviflora

Type	Evergreen	Height	3 to 4 feet	Spread	4 to 6 feet
Foliage	Long, sword shaped				
Summer Color	Green		Autumn Color	Green	
USDA Zones	5	Exposure	Full Sun		
Plant Attributes	Great for desert looking spots with a unique foliage and flower that rises above in Mid Summer. Careful of the edges though, can be sharp.
